

~ VINTAGE NOTES *2000* ~

HARVEST 2000:

A mild summer and dry fall brought the fruit to the winery at perfect ripeness, clean and with optimal yields of 2T/acre. The fruit selected and hand-picked for the Reserve blend comes from Ponzi's Madrona and Abetina Vineyards, and is blended with Linda Vista Vineyard. These vines are all Pommard clones that were between 15 and 30 years old that year.

This vintage celebrates the 30th anniversary of Ponzi Vineyards.
